G.C.E Advanced Level Examination
Engineering Technology Stream | Z score – 2.1253

ESOFT Metro Campus *Completed oct 2020*
Pearson Assured Diploma in Information Technology (DITEC)

DESIGN AND TECHNICAL SKILLS

UI/UX Design: Wireframing, Prototyping, Interface Design, Responsive Design, Visual Hierarchy, Design Consistency, Accessibility

UX Research and Testing: User Research (interviews, personas, questionnaires, journey maps), Usability Testing, Requirement Analysis, Attention to detail, User focused thinking

Design Tools: Figma, Canva, Adobe Illustrator, CapCut

Development Basics: HTML, CSS, JavaScript, Java, Android Studio, Firebase, VS Code, GitHub

PROJECTS

LEXIDO - Android Task Management application (Android Studio, Java, Firebase) - Figma Link

- Designed the complete UI in Figma with clear task flows, intuitive navigation, and consistent layouts.
- Created a color-coded priority system (High, Medium, Low) for quick task scanning.
- Checked responsive layouts and alignment across multiple emulator screen sizes.
- Evaluated forms, dialogs, and task-list updates for usability.

HARVEST - Agricultural Subsidy Management System (Group Project)

- Designed wireframes and Figma prototypes for 2 mobile apps (field agents, farmers) and 3 web portals (officers, public/government, admin).
- Conducted user research (interviews, personas, journey maps) to understand different user groups.
- Maintained design consistency and accessibility across platforms.
- Identified usability issues and recommended design improvements.
- Coordinated with the team and stakeholders on milestones and documentation.

Personal Portfolio Website – Responsive Web Portfolio (HTML, CSS, JavaScript) - MyPortfolio

- Designed and developed a responsive portfolio to showcase UI/UX creativity and project completions.
- Built interactive project, skills, and certification sections for clear presentation.
- Tested navigation, pop ups, galleries, forms, and responsive behaviour, then fixed UI issues.

GRAPHIC DESIGN AND MULTIMEDIA PROJECTS

Logo Design - DANGO - Asian Fusion Fast Food Logo and Mascot Design (Adobe Illustrator)

- Designed a unique fast-food logo using creative typography, food illustrations, and colour theory.
- Applied contrast, balance, and visual hierarchy to create a memorable brand identity.

Poster Design - Puppy Adoption Awareness Poster (Canva)

- Designed an awareness poster using engaging visuals, warm colours, and clear typography.
- Applied visual hierarchy and layout principles to highlight key information and adoption details.

Video Editing - Luna Petals (CapCut)

- Edited promotional videos for Luna Petals, a handmade crafts business using CapCut.
- Combined video clips, transitions, text overlays, and visual elements to create engaging promotional content for social media.
- Focused on presenting handmade products attractively while maintaining a consistent, appealing visual style.

COURSES AND CERTIFICATIONS

- Python for Beginners - University of Moratuwa
- Pearson Assured Diploma in Information Technology (DITEC) - ESOFT Metro Campus
- Introduction to Software Quality Assurance - University of Moratuwa

EXTRACURRICULAR ACTIVITIES

- Scrabble Coordinator - Freshers' Championship and Techno championship. *2024 - 2025*
- Photographer and videographer - Techno MEDIA, Faculty of Technology, University of Colombo *2024 - 2025*

LANGUAGES & SOFT SKILLS

Languages: Sinhala(Native), English(Full professional), Tamil(Bilingual)

Soft skills: Attention to detail, creativity, analytical thinking, problem solving, communication, teamwork, adaptability, requirement analysis, Quick learning
